

How to order a personalised wallpaper for your VUMI ePortfolios

How it works

Step 1

Choose one of VUMI system wallpapers as the base image by making a note of its reference number

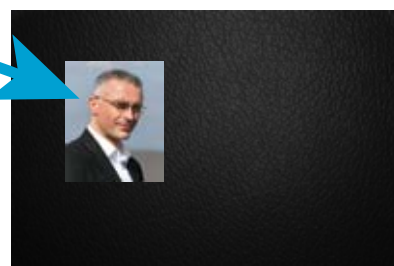

A021

Or send your own photo as a base image

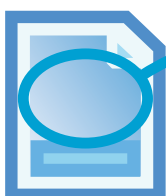

Step 2

Choose a photo to be laid on top of the base image

Step 3

Provide the words you want

Tom Jerry
RESUME

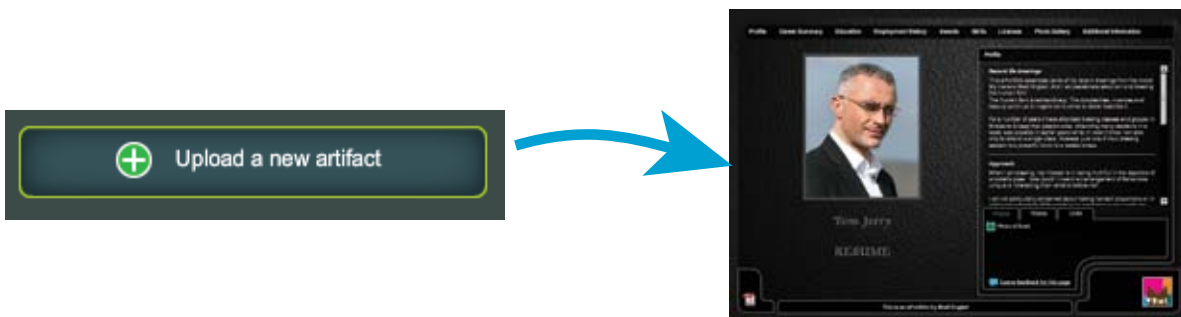

Step 4

Once VUMI has confirmed your payment has been made your personalised wallpaper will be emailed to you

Step 5

Upload your personalised wallpaper and create a new ePortfolio

Examples

How to order

If you want to choose a VUMI wallpaper as the base image visit the wallpaper gallery by visiting this [link](#). Make a note of the reference number of your chosen wallpaper.

Should you prefer one of your own photos as the base image keep in mind the horizontal format of an VUMI ePortfolio and that the right hand side is covered by a content panel. Visit this [FAQ](#) entry for more about choosing an appropriate photo.

Send an email to us at support@vumi.com.au including the text you want to include, the reference to a chosen wallpaper, and attach your image/s. We will get back to you with payment options.
